History

The museum was established in November 1997.

Architecture

The museum covers an area of 19 hectares on Chiuju Road in Sanmin District. The floor area covers 112,400 square meters and as a result claims to be the largest science museum in Asia.[2] The architecture features geometric forms including triangles, rectangles, and circles, and the buildings are connected by straight bridges.

Transportation

The museum accessible via the Science and Technology Museum railway station of the Taiwan Railways.
